

Get into Medical School

Be your best

10 good reasons to choose us

1. A company that specialises in getting into medical school – and nothing else.
2. A company that has been running for over five years.
3. A comprehensive set of four unique courses to cover applications, UKCAT, BMAT, and interview skills.
4. Additional one-to-one coaching available on request.
5. Medically qualified tutors with years of experience of getting people into medical school.
6. All our courses have been designed, and are regularly updated, by our tutors.
7. Our popular UKCAT course inspired the 'UKCAT for Dummies' textbook, written by our tutors and due out in 2012.
8. The chance to visit Oxford and experience the surrounds of a 700-year-old Oxford College.
9. The chance to share ideas and experiences with other aspiring medical students.
10. Most importantly, a very high success rate for getting you into medical school.
